### City Awarded Top Workplace Award for the Second Year

**WAUKESHA, Wis-** The City of Waukesha has been awarded a Top Workplaces 2021 honor by the Milwaukee Journal Sentinel. This is the second year the City has received this award after first receiving the award in 2020.

"As an organization we are extremely honored to be recognized once again with a Top Workplace Award. This is a reflection of the incredibly talented team we have working for the City that has dedicated their careers to serving the citizens and businesses of Waukesha," said Kevin Lahner, City Administrator. "We are always looking for more individuals that want to commit to an exciting career in a values driven and inclusive workplace."

The Top Workplaces Award is based on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization including: alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."
